INTERSTATE COMMERCE COMMISSION

SCHEDULE NO. 9 TO MASTER LEASE NO. 2197-00

THIS SCHEDULE No. 9 ("Schedule") to that certain Lease Agreement, as amended (the "Agreement"), made as of May 5, 1988, between ITTEL RAIL CORPORATION, as lessor ("Lessor"), and HARTFORD AND SLOCOMB RAILROAD COMPANY, as lessee ("Lessee"), is made this 8th day of September, 1989.

Lessor and Lessee agree as follows:

1. All capitalized terms defined in the Agreement shall have the meanings defined therein when used in this Schedule No. 9, except that the term "Cars" as used herein shall only refer to the equipment described in this Schedule unless otherwise indicated.
2. Lessor hereby leases the following Cars to Lessee subject to the terms and conditions of the Agreement and this Schedule:

AAR Mech Designation Description	Description of Cars	Car Reporting Marks and Numbers	Number of Cars
RBL	5055 Cubic Foot, 70-ton, Plate C, Cushion Underframe	HS 11011, 11013, 11016, 11028, 11029, 11033, 11040, 11042, 11043 and 11048	10

3. A. The term of the Agreement with respect to each Car described in this Schedule shall commence on the first day of the month following full execution of this Agreement ("Delivery") and shall continue as to all of the Cars described in this Schedule for three (3) years.
- B. If the Agreement has not been terminated early and no unremedied default has occurred and is continuing under the Agreement, the Agreement shall automatically be extended from calendar month to calendar month, for a period not to exceed twenty-four (24) calendar months (each such calendar month an "Extended Term"). Provided that the Cars are not subject to the assignment agreement dated August 28, 1989 ("IAIS Assignment") between Lessee as assignor ("Assignor") and Iowa Interstate Railroad,

Ltd. as assignee ("Assignee"), a copy of which is attached hereto as Exhibit A, Lessor may terminate the Agreement at any time during the Initial Term or Extended Term as to some or all of the Cars described in this Schedule by providing not less than ten (10) days' prior written notice to Lessee.

4. Upon Delivery, each Car shall be moved to the railroad lines of Lessee or Assignee. Lessee agrees to pay the rent set forth in the Agreement notwithstanding the fact that Lessee may not have immediate physical possession of the Cars leased hereunder. In order to move the Cars to Lessee's or Assignee's railroad line and to ensure optimal use of the Cars, Lessor agrees to assist Lessee in monitoring Car movements and, when deemed necessary by Lessee and Lessor, to assist in the issuance of movement orders to facilitate the movement of the Cars to other railroad lines in accordance with the Interstate Commerce Commission ("ICC") and the Interchange Rules.
5. Lessor consents to Lessee's entering into the IAIS Assignment; provided that Lessor shall perform Lessee's duties under the IAIS Assignment, except the duties described in paragraph 5. B. therein, which shall be performed by Lessee, that Lessee shall, only upon Lessor's instructions or consent, exercise its option to terminate, extend, renegotiate or request free storage under the IAIS Assignment, and that Lessee shall, if directed by Lessor, assign Lessee's interest in the IAIS Assignment to any party designated by Lessor.
6. Lessor shall perform or cause to be performed and shall pay all costs and expenses associated with the maintenance of the Cars described in this Schedule, except as delegated to Lessee in Section 5 of the Agreement. With respect to the Cars listed in this Schedule, Exhibit B attached hereto is hereby added to the Agreement or substituted for Exhibit B thereto. Subsection 5.A. of the Agreement shall not apply with respect to such Cars.
7. Lessor agrees to reimburse Lessee, within thirty (30) days of Lessor's receipt of the receipted copy of the paid tax bill, for all taxes actually paid in cash by Lessee resulting from: 1) ad valorem tax assessments on the Cars; and 2) any assessment, levy or impost relating to any Car, the Agreement, or the delivery of the Cars, which remained unpaid as of the date of the delivery of the Cars to Lessee or which is assessed, levied or imposed during the term of the Agreement, except taxes on income or gross receipts imposed on Lessee or sales or use tax imposed on mileage charges, car hire revenue, or the proceeds of the sale or lease of the Cars. Lessor and Lessee will comply with all state and local laws requiring filing of ad valorem returns associated with the Cars.

Notwithstanding any portion of this Section, Lessor shall not be responsible for penalty or interest assessments resulting from Lessee's failure to comply with any regulation or statute of any taxing or assessing authority. Lessee shall forward to Lessor upon receipt all correspondence, notifications of proposed tax assessments and tax bills associated with any tax reimbursable by Lessor. Lessor may, in good faith and by appropriate proceedings, contest any assessment, notification of assessment or tax bill. Lessor shall assume full responsibility for all expenses, including legal fees, resulting from such contest.

- (ii) "Revenues Rates" is defined as the hourly and mileage car hire rates specified for each Car in the Hourly and Mileage Car Hire Rate Table published in the April 1989 edition of The Official Railway Equipment Register, as may be updated from time to time.

- (iv) "Mileage Revenues" is defined as the total mileage revenues, calculated at the Revenue Rates, that are earned or due for the use and handling of the Cars on the railroad lines including the Eligible Lines, whether or not collected and received by Lessor and undiminished by any claimed abatement, reduction or offset

- E. Except as provided for in this Schedule, any agreement between Lessee and any other party with respect to the Cars ("Third Party Agreement(s)") shall be null and void without Lessor's prior written approval if such Third Party Agreement affects the revenues earned by the Cars.
- H. If, prior to and after the Term of the IAIS Assignment, any Car has remained on Lessee's property because Lessee has not given preference to the Car as specified in Subsection 3.B. of the Agreement, Lessee shall be liable for and remit to Lessor an amount equal to the revenues which would have been generated if such Car had been in the physical possession and use of a railroad for the entire period during which such Car is on Lessee's property due to such failure, with each Car travelling _____ per day.
9. Except as expressly modified by this or any other Schedule, all terms and provisions of the Agreement shall remain in full force and effect with respect to all Cars subject to the Agreement.

10. This Schedule may be executed by the parties hereto in any number of counterparts, and all counterparts taken together shall be deemed to constitute one instrument.

EXHIBIT A
AGREEMENT FOR ASSIGNED SERVICE

THIS ASSIGNMENT AGREEMENT ("Assignment Agreement") is made and entered into as of this 28th day of August, 1989, among HARTFORD AND SLOCOMB RAILROAD COMPANY ("Assignor") and IOWA INTERSTATE RAILROAD, LTD. ("Assignee").

Assignor, Assignee agree as follows:

1. Assignor shall supply Assignee with the following equipment (the "Cars") subject to the terms and conditions of this Assignment Agreement:

AAR Mechanical Designation	Description	Reporting Marks and Numbers	N o . of Cars
RBL	5055, Cubic Feet, 70-ton, Plate C, Cushioned Underframe Boxcars	HS 11011, 11013, 11016, 11028, 11029, 11033, 11040, 11042, 11043 and <u>11048</u>	10

2. Upon Assignor's instruction, and not without Assignor's instruction, Assignee shall place the Cars into an assignment pool on Assignee's railroad lines as provided for in Car Service Rule 16 and under the provisions of Car Service Directive 145 of the Code of Car Service Rules, AAR Circular No. OT-10.
3. The term ("Term") of this Assignment Agreement, with respect to (a) HS 11011, 11013, 11016, 11028, 11029, 11033, 11040, 11042, and 11043 shall commence on the day that such Car is first interchanged onto Assignee's Lines after the full execution of this Assignment Agreement ("Interchange Delivery") and (b) the LNAC 5948 shall commence upon its remark to Assignor's reporting marks ("Remark Delivery"), (Interchange Delivery and Remark Delivery shall hereinafter collectively be referred to as "Delivery") and shall expire as to all of the Cars three (3) years from the earlier of (i) the date that the last Car was Delivered or (ii) the sixtieth (60th) day after the date that the first Car was Delivered. Upon the Delivery of the final Car, Assignor shall issue to Assignee a fully-executed Certificate of Delivery in the form of Exhibit A hereto that shall contain the expiration date of the Assignment Agreement with respect to all the Cars as determined by Assignor. Unless, within fifteen (15) days of the date of such Certificate of Delivery, Assignee demonstrates to the reasonable satisfaction of Assignor that such expiration date is incorrect, Assignee shall be deemed to have concurred with such expiration date.
4. Assignee shall comply with the handling carrier's obligations under AAR

Interchange Rules while the Cars are in Assignee's possession.

5.
 - a. Assignee shall load the Cars prior to loading any similar Cars leased by or assigned to Assignee from other parties subsequent to the date of this Assignment Agreement, purchased by Assignee subsequent to the date of this Assignment Agreement, or interchanged from other railroads; provided, however, that nothing contained in this Section shall in any event prevent or prohibit Assignee from fulfilling its obligations to provide transportation and facilities upon reasonable request therefor. If any Car remains on Assignee's lines because Assignee has not given preference to the Cars as specified in this Section, Assignee shall be liable for and remit to Assignor an amount equal to the revenues which would have been generated if such Car had been in the physical possession and use of another railroad for the entire period during which such Car is on Assignee's railroad line and had such Car traveled seventy-five miles per day (75mpd) during such period.
 - b. If any Car returns to Assignor's line as a result of Assignee not filing the assignment pool code properly, Assignee shall be responsible for all costs associated with returning such Car to Assignor. Assignor shall use its best efforts to prevent any Car from being interchanged onto its lines during the term of the Assignment Agreement, including advising Assignor's connecting carrier that the Cars have been placed into an assignment pool on Assignee's lines and that the connecting carrier should not return such Cars to Assignor during the term of the Assignment Agreement.
6. When used in this Assignment Agreement, each of the following terms shall have the definitions indicated:
 - a. "Eligible Lines" is defined as the railroad lines owned and operated by Assignee as of June 1, 1989. Any lines purchased by Assignee or added to the Eligible Lines or any Eligible Lines sold by Assignee to another party, effective on the date of such sale, during the term of the Assignment Agreement are deemed to be the lines of another railroad company (a foreign road) for the purposes of determining Revenues (as defined hereinbelow). If, at any time during the term of the Assignment Agreement, Assignee operates lines other than the Eligible Lines, then Assignee shall supply Assignor with records which distinguish the movement of each Car on the Eligible Lines from the movement of such Car on the other railroad lines operated by Assignee.
 - b. "Revenue Rates" is defined as the hourly and mileage car hire rates specified for each Car in the Hourly and Mileage Car Hire Rate Table published in the April 1989 edition of The Official Railway Equipment Register, as may be updated from time to time.
 - c. "Per Diem Revenues" is defined as the total per diem revenues, calculated at the Revenue Rates, that are earned or due for the use

or handling of the Cars on the railroad lines including the Eligible Lines, whether or not collected and received by Assignor and undiminished by any claimed abatement, reduction or offset caused by any action or inaction of Assignee.

- d. "Mileage Revenues" is defined as the total mileage revenues, calculated at the Revenue Rates, that are earned or due for the use and handling of the Cars on the railroad lines including the Eligible Lines, whether or not collected and received by Assignor and undiminished by any claimed abatement, reduction or offset caused by any action or inaction Assignee.
 - e. "Revenues" is defined as the sum of Per Diem and Mileage Revenues.
 - f. The "Base Rent" is defined as the Per Diem Revenues which the Cars would have earned in the aggregate if the Cars had been on railroad lines other than Eligible Lines for _____ of the hours that such Cars were subject to the Agreement during such calendar quarter ("Quarter"), with each Car travelling _____ miles per day.
- 7. Assignee shall be entitled to full per diem and mileage relief for each Car while such Car is on the Eligible Lines and shall furnish interchange records to Assignor as requested.
 - 8. Assignor shall receive all Revenues earned by each Car prior to its Delivery. Each Car shall become subject to the rental calculation under Section 9. hereinbelow upon the Delivery; provided, however, that Assignor shall retain and be entitled to all Revenues earned by such Car after such Delivery, including any Per Diem Revenues due Assignee pursuant to Subsection 9.b. ("Assignee's Revenue Share"), until the total amount of Assignee's Revenue Share retained by Assignor shall have become equal to Assignor's expenses for remarking and delivering such Car to Assignee ("Delivery Expense").
 - 9.
 - a. In the event Per Diem Revenues earned in any Quarter or applicable portion thereof are less than or equal to the Base Rent, then Assignor shall retain a sum equal to _____ of the total Per Diem Revenues.
 - b. In the event Per Diem Revenues earned, in any Quarter or applicable portion thereof, exceed the total Base Rent, then Assignor shall retain an amount equal to the total Base Rent plus _____ of Per Diem Revenues in excess of the Base Rent and Assignee shall receive _____ all Per Diem Revenues in excess of the Base Rent.
 - c. Assignor shall retain _____ of the Mileage Revenues.
 - 10. Upon any abatement, reduction or offset, as set forth in Subsections 6.c.

and 6.d. hereinabove, Assignee shall, within ten (10) days of Assignor's request, reimburse Assignor for such amount.

11. If, with respect to any Quarter, Per Diem Revenues received by Assignor for the Cars described in this Assignment Agreement are less than the Per Diem Revenues the Cars would have earned in the aggregate if the Cars had been on railroad lines other than Eligible Lines for _____ of the hours that such Cars were subject to the Assignment Agreement, ("Minimum Amount"), Assignor may at any time at its option and upon not less than ten (10) days' prior written notice to Assignee, terminate this Assignment as to such Cars as Assignor shall determine; provided, however, that Assignee may, at its option, within ten (10) days of receipt of such notice from Assignor, void such termination notice by paying to Assignor for such Quarter, and by agreeing to pay Assignor for each subsequent Quarter in which Per Diem Revenues are less than the Minimum Amount, an amount equal to the difference between actual Per Diem Revenues for such Quarter and the Minimum Amount. If Assignee has voided any termination notice and is complying with the terms of this Section 11 and of the Assignment Agreement, Subsection 9.b. hereinabove shall be replaced by the following:

"(b.) In the event Per Diem Revenues earned in any Quarter or applicable portion thereof exceed the Minimum Amount (as defined in Section 11 hereinbelow), Assignor shall retain an amount equal the Minimum Amount plus _____ of Per Diem Revenues in excess of the Minimum Amount and Assignee shall all Per Diem Revenues in excess of the Minimum Amount."

12. Within three (3) calendar months after the end of each Quarter, Assignor shall calculate the amount due either party for such Quarter pursuant to this Assignment Agreement. Any amounts payable pursuant to the preceding sentence shall be paid promptly following such calculation; provided, however, that if, following the final calculation (to be made within five (5) calendar months after the end of each calendar year that this Assignment Agreement is in effect), either Assignor or Assignee determines and demonstrates to the reasonable satisfaction of the other that any calculation required herein was incorrect, then any amount paid to either party in excess of the amounts required shall be refunded to the proper party.
13. During the Term, Assignor may, at its expense, replace any or all of the Cars with similar cars upon not less than ten (10) days' prior written notice to Assignee.
14. Assignor is responsible for normal maintenance and repair expenses except as provided below and except for any transportation costs incurred pursuant to this paragraph, which shall be at Assignee's sole expense. Assignee shall be responsible for and shall pay all costs and expenses of all repair work or other work or materials required because of (i) damage or other conditions caused by Assignee's negligence or misuse in loading or unloading, or by use other than as permitted under this Assignment

Agreement; (ii) damage for which Assignee is responsible under applicable AAR Rules; (iii) Assignee's failure to note any damage to any Car that returns to its lines, the repair of which is the responsibility under AAR Rules of any third party railroad. Assignee shall promptly notify Assignor of any damage to, defect in, need of repair to, or destruction of any Car. For any damaged Car that requires repairs other than running repairs, car hire (time and mileage) shall be governed by applicable Car Hire and Car Service Rules. In no event shall Assignee place any Car for repair at a private contract repair facility, or allow repair by a private contractor on the property of Assignee without Assignor's prior approval. Any such repair must be performed under the direction and control of Assignor.

15. Upon expiration or termination of this Assignment Agreement with respect to any Car(s), Assignee shall surrender possession of such Car(s) to Assignor. Assignee shall insure that each Car returned to Assignor upon the expiration or termination of the Assignment Agreement shall be (a) in the same condition, order and repair as when delivered to Assignee, normal wear excepted, (b) in interchange condition in accordance with AAR and FRA rules and regulations, (c) suitable for loading of the commodities allowed under the Assignment Agreement, (d) free from all accumulations or deposits from commodities transported in or on it while in the service of Assignee, and (e) free of any and all Rule 95 damage. Assignee shall remove the Cars from the provisions of Car Service Rule 16 and Car Service Directive 145, and deliver the Cars to a point on the Eligible Lines to be designated by Assignor. At Assignor's option and Assignee's expense, Assignee shall remark the Cars to bear new reporting marks to be provided by Assignor and use its best efforts to provide final outbound loads for each Car.
16. Assignee's rights shall be subject and subordinate to the rights of any lessor, and of any owner or secured party under any financing agreement with respect to the Cars. Accordingly, following notice to Assignee from any such lessor, secured party or owner that an event of default has occurred at any time (including at a time prior to the effective date of this Assignment Agreement), and is continuing under such financing agreement, such party may require either or both that rentals and other sums due hereunder shall be paid directly to such party, and that the Cars immediately be returned to such party.
17. All notices hereunder shall be in writing and shall be deemed given when delivered personally or when deposited in the United States mail, postage prepaid, certified or registered, or when transmitted and received by telex addressed as follows:
